

## **Tower International to Present at the Deutsche Bank Global Auto Industry Conference on January 12**

January 6, 2011

LIVONIA, Mich., Jan. 6, 2011 /PRNewswire via COMTEX/ --

Tower International, Inc. (NYSE: TOWR), a leading integrated global manufacturer of engineered structural metal components and assemblies, today announced that it will participate in the Deutsche Bank Global Auto Industry Conference in Detroit, Mich., on January 12, 2011. The presentation, which will be simultaneously webcast, is scheduled to begin at 11:45 a.m. EST, and is expected to run for approximately forty minutes. During the presentation, Tower's President and Chief Executive Officer, Mark Malcolm, will provide a general business overview and discuss other related matters, followed by a question and answer period.

To access the live webcast along with the presentation, please visit the Investor Relations section of the Company's website at [www.towerinternational.com](http://www.towerinternational.com). A replay of the webcast will be available following the event.

### **About Tower International**

Tower International, Inc. is a leading integrated global manufacturer of engineered structural metal components and assemblies primarily serving automotive original equipment manufacturers. Tower offers its automotive customers a broad product portfolio, supplying body-structure stampings, frame and other chassis structures, as well as complex welded assemblies; for small and large cars, crossovers, pickups and SUVs. Tower employs approximately 7,400 colleagues and operates over 30 production facilities in North America, South America, Europe and Asia.
